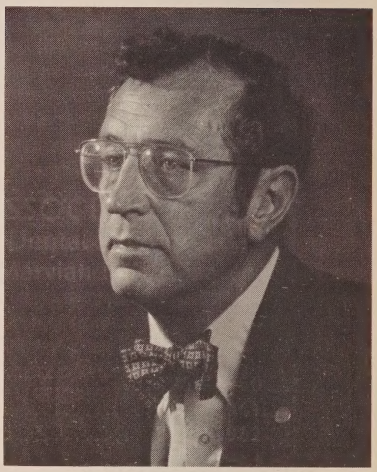
PRESIDENT'S REPORT



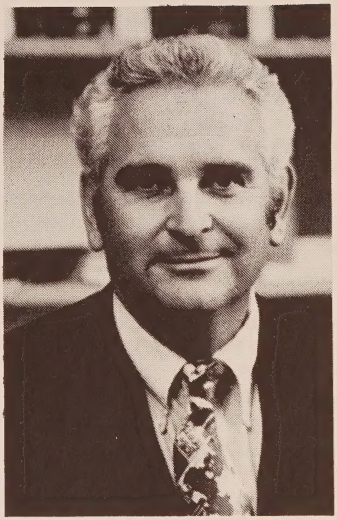
Robert P. Murphy, '56

The Alumni Association is a very important link to your profession and to your growth as a dentist. It was here at the school that we gained our knowledge of, and developed our perserverance and dedication to the science of dentistry. As a member, you receive The Alma Mater, which is the official publication of the Alumni Association. In this publication are the activities of both the Association and many of the alumni of our school. The Alumni Association holds Regional Section meetings at West Virginia, New Jersey, Florida, Hawaii, Rhode Island, Puerto Rico and has receptions at the American Dental Association, Hinman and New York meetings. This year we are planning an International Seminar at Monte Carlo, Monaco. So you can see, this is not just a Baltimore based organization, but one for all graduates. We are a family, and we are proud of our family tree. Like a family, we must have your support with your modest annual dues of $45. This will assure our success in the administration of the Alumni Association. The Executive Committee, because of our financial situation, decided to limit the mailing of The Alma Mater to dues paying members, faculty, students and libraries. Therefore, please don't forget your dues so that you can continue to receive our publication.

The 1985 Annual Alumni Weekend will be the 24th - 26th of May in Baltimore at the Hyatt Regency Hotel. We hope you'll all return to honor the distinguished Alumnus, the fifty-year class and the other five-year class reunions. Further information will be found in The Alma Mater.

As president of the Alumni Association, I would like to thank you for your support. I am proud to have graduated from the First Dental School and proud to have been selected President of your Alumni Association. We need your support and look forward to seeing you in Baltimore at the annual homecoming.

Dean's Report



Dean Errol L. Reese, D.D.S.

We all have a stake in the future! I am pleased to announce that your alma mater has been selected by the American Association of Dental Schools and the American Dental Association to be part of a pilot recruitment project, along with the University of Minnesota and the Medical College of Georgia, sponsored by the above organizations and the state dental associations, known as "SELECT."

"SELECT" is a pilot project to determine effective methods of involving practicing dentists and alumni within the community in attracting quality applicants to the dental profession. The obvious purpose of such a recruitment program is to insure that we are able to enroll students in the dental schools of this nation that have similarly high qualities as those students in past years. I am sure you are aware that there has been a reduction in the applicant pool during the past several years. For a number of reasons, young men and women ae not as interested as they were in dentistry as a profession. Both the American Association of Dental Schools and the American Dental Association House of Delegates have recently passed resolutions encouraging and supporting this type of regional recruitment program. We hope that throughout the nation we will be able to solicit the help of fine dentists like those who graduated from BCDS, to encourage young men and women, that would be an asset to the profession, to seek careers in dentistry and dental hygiene.

As we look to the future, keep in mind that an individual who will be entering college this coming year would not graduate from dental school until 1993. I know it seems a long way into the future, but remember we will need fine young men and women dental graduates in the 1990's, just as we do now and did in the past decades. One factor you may not be aware of is that dental schools across this nation have reduced their enrollment by over 1200 students. The average size Dental School at this time is eighty-five (85) students per class. Therefore, this means that since 1978 an equivalent of fourteen (14) dental schools have closed! This is, of course, a hypothetical projection; however, it dramatizes the tremendous reduction across the nation, in first year enrollment.

The recruitment program is not intending to increase class size, it is simply trying to provide the best possible applicant pool to fill the available spaces in our dental schools across the nation. We need to recruit only the best, and we solicit your help!

I hope that if you live in either the state of Minnesota or Maryland, you will quickly volunteer to become a recruiter for those dental schools. The Medical College of Georgia has already started a fine recruitment program throughout the state of Georgia, using their alumni. If you would like to assist your Dental School and be a part of this program, please call The Dental School and speak either to me (528-7460) or with Dr. E. Victor Long (528-7472), who is our Director of Recruitment.

I would like to remind you once again that anytime you have a son or daughter, or if you know of a young man or woman, who has expressed an interest in dentistry as a career, please let us know so we may contact them. We will be delighted to provide them with information. Please keep in mind that the sooner you call, the better. Young men or women in high school that have indicated interest in dentistry should visit our School this year.

Also, a very appropriate way for me to meet your son or daughter is to bring him/her, as your guest, to one of the dental meetings or alumni receptions across the nation. Whenever possible, I will be present at those receptions, and if I cannot be available, I can assure you that Dr. E. Victor Long will be there to speak to your son or daughter. Also, we plan to have specific times set aside during these national meetings for counseling of young men and women who are interested in dentistry. Therefore, please do not hesitate to call me at the above number to establish an appointment for a meeting time. This is our way of saying, "If you and your children cannot stop by the Dental School, we will come to you!"

I hope that all alumni are receiving the issues of the Baltimore College of Dental Surgery FORUM. This is our main way of communicating with each graduate twice each year. Based on our readers' survey, we made some minor modification in the FORUM, and we hope you will enjoy future publications. We are always soliciting input about our alumni, so please don't hesitate forwarding suggestions to us for future use.

I am sure that you can tell by reading our FORUM that the faculty and administration, and hopefully the alumni, are extremely proud of the programs of B.C.D.S. From our curriculum to our annual giving to our research and service, we continue to make significant and meaninful progress. An example is the fact that in the past three (3) years, your School has increased its support for research eight-fold. We also are constantly modifying rearranging and improving our curriculum. Please don't hesitate to drop by and visit the School.

You probably noted in the fall FORUM that we just accepted our freshman class of 1988,which has a large number of out-of-state students. For a number of years, 30% to 40% of our freshman students have been from out-of-state. We began to select more out-of-state students because a large number of our alumni's children have indicated a strong preference for the University of Maryland and its Dental School. Most of these out-of-state students do not stay in Maryland, but return to their home states to establish practices.

I hope that all alumni will support the Annual Alumni Meeting this coming May. I know that your alumni committees have worked very long and hard to establish a format for Alumni Week. It is an exciting new venture, and I hope to see you all in May, 1985.

Best wishes for the coming new year.

EXECUTIVE DIRECTOR'S REPORT

A Salute To Dean Reese

Dean Errol L. Reese has been an extremely busy man during his tenure as Dean of our Alma Mater. It is evident that there is a climate of well being existing between the Dental School and its Alumni. Dr. Reese has opened avenues of communication between the Profession and the School.

It is also important to note that today you will find many sons and daughters of alumni attending our Alma Mater and receiving the finest dental education and training in the world. Dean Reese has also established a strong program of financial support for the school through the "Annual Giving" program. He has surrounded himself with a strong contingent of alumni and friends who support the school. This has developed a sense of loyality and spirit never seen before. He has demonstrated administrative expertise and a sensitivity to the interests and concerns of alumni.

Dr. Reese is presently serving as the Chairman of the Council of Deans, American Association of Dental Schools. He is a Consultant to the Council on Dental Education of the American Dental Association and in this capacity has made many site visits to dental schools throughout the country. He was recently elected to the Board of Directors of the American Fund for Dental Health. During the past few years, he has been extremely active in the World Health Organization. His talents and ability have been noticed and appreciated by many segments of the Dental Profession.

Our Alma Mater is now enjoying a period of tranquility and excellence. Dr. Reese has demonstrated, through the establishment of the Office of Alumni Affairs, a desire and a committment to strengthen Alumni relations. This approach has helped to develop strong regional and sectional alumni participation and led to strengthening the Association nationally. Both our Association and our School are recognized because of our excellent scientific programs in Continuing Dental Education and our social activity at various meetings both nationally and internationally. This has done a great deal to strengthen our Alma Mater, to aid in recruitment and admission of dental students and to produce a strong financial giving program by our alumni and friends.

During his tenure as Dean, Dr. Reese has accomplished so much that all of us can be proud of the status and reputation that our school enjoys. We salute Dean Reese for his efforts and wish him well in the future.

SCHOOL OF HYGIENE REPORT 1984

The Department had a most successful Annual Giving Drive in November, and we send a BIG THANK YOU to our generous alumni and friends. The fall issue of the FORUM will list by name all contributors.

The Master of Science Program in Dental Hygiene is in full swing. Seven students are currently enrolled. Five students are from the Baltimore/Washington area, one is from Vermont and one is from Pennsylvania. Five of these students are taking a core seminar course being team taught by Susan Miller and Cheryl Metzger. In this course, the students are reading the pertinent literature and discussing in class the political, sociological, biological, clinical and educational trends that are and have the potential to influence the oral health care delivery system. The students and faculty are finding these seminar sessions to be very interesting and thought provoking.

The students in the Baccalaureate programs are progressing well. The Three Year Professional Curriculum has been well received, and eight students began the three year program this Fall. As in the past years, seniors have the opportunity to participate in a wide variety of educational experiences in the Dental School in various specialty and general practice clinics. In the community, juniors and seniors are providing oral health education programs, marketing plans and patient care for a variety of school, clinic and institutional settings.

The Department has offered a number of continuing education courses this year and will again offer the "periodontal package" course this spring. Please let us know if there are other areas of interest.

Thank you again for your support and interest in the Alma Mater.

STUDENT AMERICAN DENTAL HYGIENISTS ASSOCIATION REPORT

SADHA is the dental hygiene student's professional organization. As members we hope to gain an understanding of our profession and of our role in the communities that we will serve. Our goal this year is to become recognized in the dental school and on the UMAB campus. To reach this goal, we have become involved in different activities. They include the revision of our Constitution and By-Laws to include representation from the three year post-certificate and masters program, sponsorship of an SDA party and development of a dental hygiene liason program with dental students.

SADHA is also involved in community/public health activities. This includes working at health fairs, in community centers and during Children's Dental Health Month. SADHA is busy with fundraising for our Spring Banquet, our Annual Skit Night and to sponsor a student to the SADHA Annual Session. Our activities include donut, sweatshirt and can cooler sales.

Student participation in SADHA will insure that the University of Maryland Dental Hygiene Program graduates will be active and vital participants both on the dental health care team and in their local American Dental Hygiene Association.

THE SECOND TRIENNIEL JOHN E. FOGARTY MEMORIAL LECTURE

Mr. Hal M. Christensen, Director of the Washington Office of the American Dental Association, delivered the Second Trienniel John E. Fogarty Memorial Lecture on Thursday, May 24,1984 in the Health Sciences Library Auditorium, Baltimore Campus.

This special lecture was endowed by the Rhode Island Section in memory of their illustrious Congressman John E. Fogarty, who was known as "Champion of Health" on Capital Hill and throughout the nation. Mr. Fogarty sponsored many laws for improving the nation's health and succeeded in winning approval of health expenditures totaling billions of dollars during his years in Congress.

In tribute to his many contributions to dentistry, the American Dental Association conferred on him its highest honor, honorary membership, in 1957. Former U.S. President Lyndon B. Johnson called Mr. Fogarty "a great leader" and acknowledged him as a "major architect in the fields of health and education". Mr. Fogarty served as Congressman from 1944-66. His death in 1966 came shortly before he was to be sworn in for his fourteenth term in Congress.

The lecture was well received by the BCDS faculty, students and staff. Dr. Cappuccio, clinical professor emeritus of the Department of Oral and Maxillofacial Surgery and special assistant to the Dean for Alumni Affairs was instrumental in helping to initiate the lecture in memory of his dear friend from his native state of Rhode Island. Dr. Cappuccio delivered the first Trienniel John E. Fogarty Memorial Lecture in 1981.

Dean Reese and the faculty of the University of Maryland Dental School are grateful to the Rhode Island Alumni Section and the Alumni Association for sponsoring this lecture on behalf of the distinguished Congressman.

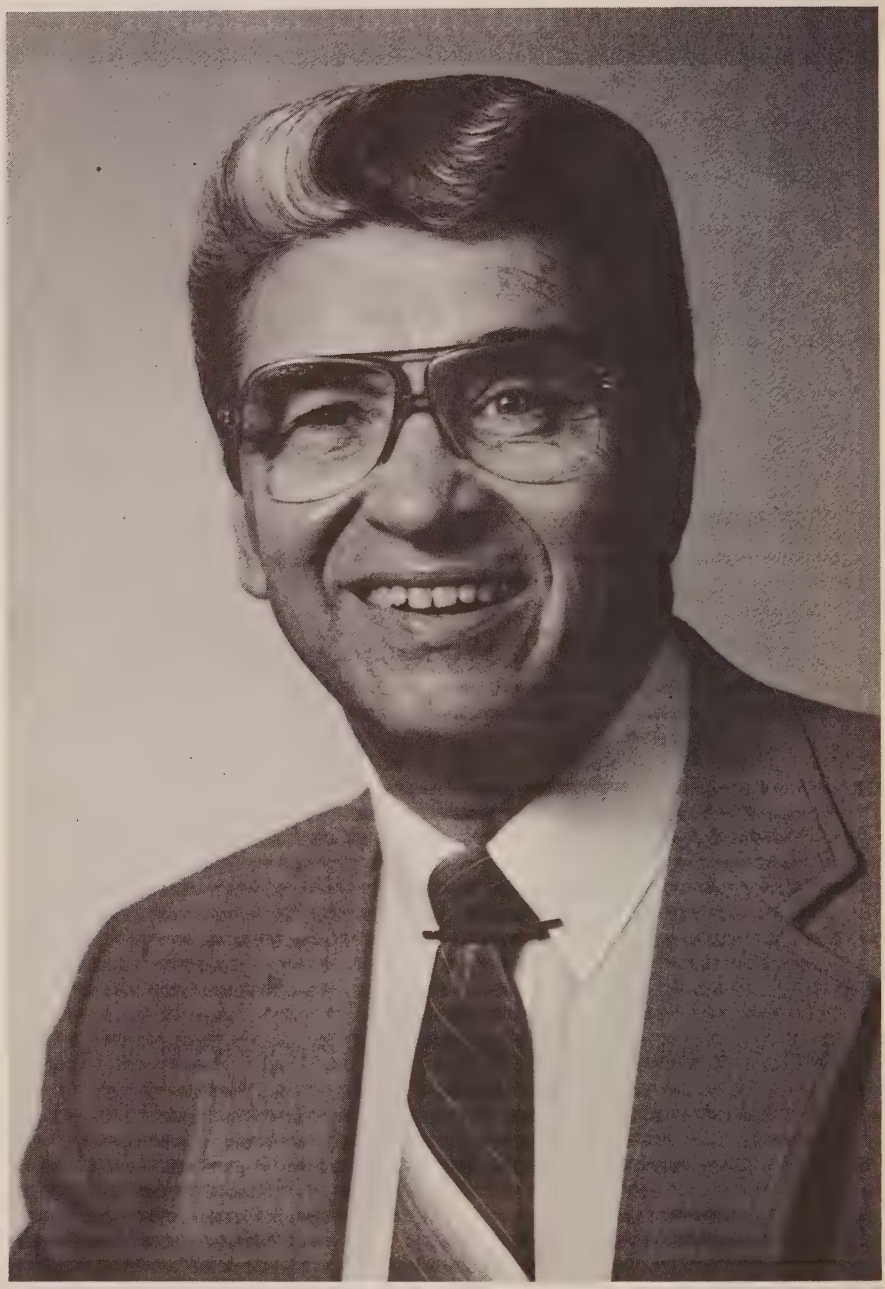
DISTINGUISHED ALUMNUS — 1984



Dr. W. Robert Biddington

Mr. Chairman, Dean Reese, Distinguished Guests, Fellow Alumni and Friends.

It is, indeed, a pleasure for me this evening to present the recipient of the Distinguished Alumni Award for 1984. His contributions to the Art and Science of Dentistry make him not only an outstanding proponent of quality oral health care for our population, but also distinguishes him as a person dedicated to maintaining the high ideals demanded by the profession through the medium of Dental Education.

He is an excellent teacher, a skilled clinician and a very fine administrator. As a close personal friend and colleague for many years, I have watched his career develop through his tireless efforts and his deep seeded desire to help make Dentistry the profession it is today.

Permit me, if you will, to share some of the highlights of his distinguished career.

W. Robert Biddington was born in Piedmont, West Virginia, the youngest of two children. He completed his primary and secondary education in Piedmont, attended Potomac State College and Hampden-Sydney College and was graduated from the Baltimore College of Dental Surgery, Dental School, University of Maryland cum laude in June, 1948.

Following active duty in the United States Navy, Dr. Biddington returned to his Alma Mater to teach full time in the Department of Endodontics and Periodontics. For the next ten years he continued teaching attaining the rank of Associate Professor and Chairman, Department Oral Medicine. During this same period he maintained an evening practive in General Dentistry.

In July, 1959, Dr. Biddington was appointed Professor and Chairman of the Department of Endodontics at the newly founded School of Dentistry at West Virginia University. In July, 1966 he was appointed Assistant Dean, responsible for student admissions, the dental curriculum, scheduling student loans, scholarships and other matters pertaining to predoctoral education within the school. With all these additional responsibilities, he continued teaching in the Department of Endodontics. Recognizing his leadership qualities, the School of Dentistry appointed him Dean in July, 1968, a position that he still retains. In addition, during 1979-1980 he served as Interim Vice President for Academic Affairs of the University, and in 1981-1982 as Interim Vice President for Health Sciences of the West Virginia University Medical Center.

At the national level, he is a member of the American Dental Association where he has served on the Council for Annual Sessions as an Evaluator of Scientific and Educational Exhibits for many years. He has held various positions in the American Association of Dental Schools, culminating in his installation as President of that organization in March, 1983. He is also a member of the West Virginia Dental Association.

Dr. Biddington is a Fellow of the American College of Dentists, currently serving as Regent for Regency 4. He is also a Fellow of the International College of Dentists, holds membership in the American Association of Endodontics and is a Diplomate of the American Board of Endodontics. He is a member of the International Association for Dental Research and Omicron Kappa Upsilon, where he served two consecutive years as President of the Supreme Chapter. He has given over 100 lectures, clinics, and TV presentations to many dental societies throughout the country, and his publications include articles relating to both Endodontics and Periodontics.

Dr. Biddington is married to the former Dolores E. Berrett of Baltimore, Maryland. They are parents of one son, William Berrett Biddington, and have two grandsons.

Bob, the Alumni Association salutes you for all that you have done for Dentistry. Your family must be very proud of you.

Mr. President, it is with a great deal of pride that I present the 1984 recipient of the Distinguished Alumni Award, W. Robert Biddington.

We returned from the Northeastern states, from Florida and from California. The fifty-year graduating class of 1934 was well represented by twenty classmates and their ladies. We had a memorable and nostalgic gathering, reminiscing of our University days and praising the faculty of our alma mater.

The Reunion Committee salutes all our classmates for their humanitarian dedication to our wonderful profession. Hopefully, we will assemble once again to celebrat our fifty-fifth reunion in1989.

CLASS OF 1939

On a beautiful spring evening, twenty-six of the remnants of the Class of 1939 met in The Hyatt Hotel, where we had a whale of a time reminiscing and congratulating ourselves on our good fortune to be together again. After cocktails and dinner, we retired to a suite high in the Hyatt overlooking the sparkle and glitter of the Inner Harbor and Harborplace, all new since our last reunion. We all resolved to make it again in five years for the BIG ONE.

Those in attendance were: Dr. and Mrs. Jim Davis, Dr. and Mrs. Tony Carvalho, Dr. and Mrs. Ralph Cavallaro, Dr. and Mrs. Henry Hoffacker, Dr. Marshall Kader, Dr. and Mrs. Leon Meinster, Dr. and Mrs. Al Morris, Dr. and Mrs. Harold Plaster, Dr. and Mrs. Ted Randolph, Dr. and Mrs. Leo Shaudis, Dr. and Mr. Ed Stinebert, Dr. and Mrs. Carter Tinsley, Dr. and Mrs. Dorsey Tipton, and Mrs. Jack Wooden Gross.

The 40th Reunion of the Class of 1944 was extremely well attended.

The highlight of the Reunion was on Friday, May 25, 1984 in the Chesapeake Suite of the Hyatt Regency Hotel at Baltimore's Harborplace. Twenty-six of our classmates and their wives attended the Cocktail Party and Dinner.

On Saturday, May 26th, six of our class and their wives appeared at the General Reunion Dinner/Dance at the Convention Center.

The consensus of opinion was that both affairs were outstanding, and those who did show really missed those who did not appear. We are happy to report that everyone there didn't look older, just better. That night Ed Pfeifer summed it up with a poem.

We all look forward to seeing you in 1989 at the 45th Reunion of the great Class of 1944!

Attending but camera shy were Larry Frick, Bill Dombrowski and Tony Policastro

A stalwart group of the Class of 1959 gathered at the Chart House, Inner Harbor, on Saturday afternoon May 26, 1984. The reunion began with a recognition contest. After identifies were made, we became a Class/Family again. Old and new chit-chat was the order of the day. All indications were that the attendees had such a good time they might consider doing it again in another 25 years!

Stuart Eisman
Edwin Ezrine
William Hill
Robert Jacobson

The Class of 1969 celebrated its fifteen-year reunion with a Texas Style Outdoor Bar-B-Que at the home of Janice and Waren Morganstein. Twenty-eight members of the Class of 1969 plus their guests were in attendance. A taste of nostalgia was added by the caterer who happened to be Andy Nelson of Andy Nelson's Old Hickory House. "True Blue" Colt fans will remember Andy as All Pro defensive back, one of the finest on the Colt's team during their championship years! Members of the class had an opportunity to catch up on Dental School Errol L. Reese who was also in attendance.

On Saturday, May 26, 1984, a private tour was arranged for the members of the Class of 1969 at the Center for the Study of Human Performance in Dentistry at the Dental School. Later that evening some members of the Class attended the Alumni Banquet held at the Baltimore Convention Center, Harborplace. Bob Morris, unable to attend the Friday night gathering, was present on Saturday night, direct from a command performance in Guyana, South Africa.

CLASS OF 1974

FIRST ROW (Left to right) Mrs. Duguid, Mrs. Donoho, Mrs. DeScherer, Mrs. Morris, Mrs. Eskow, Mrs. Ciminiello, Mrs. Corbin, Mrs. Cohan, Mrs. Cox
SECOND ROW (Left to right) John Duguid, Eric Donoho, Charles Tomeo, Mrs. Tomeo, Peter DeScherer, Steve Stein, Mrs. Stein, Dr. Feldman, Barbara Steinberg Feldman, Ed Morris, Roy Eskow, Richard Tami, Mrs. Tami, Thomas Keller, Mrs. Keller, Angelo Ciminiello, Mrs. Snaid, Steve Corbin, Barry Cohan, Tom Cox, Mrs. Victor, Larry Victor

The Class of 1974 held its ten-year reunion on Saturday May 26, 1984. Forty-six class members, along with spouses and/or escorts, were in attendance. This year we combined our individual class reunion with the Alumni Association's Saturday night banquet at the Baltimore Convention Center. This gave us the opportunity of meeting and renewing acquaintances with the members of the administration, faculty and officers of the Alumni Association as well as meeting together as a class.

The outstanding turnout was certainly no surprise since the Class of 1974 has always been "close knit". The good time we had at this reunion function only reinforced those feelings of friendship. We anxiously look forward to the next reunion in five years.

CLASS OF 1979

FRONT ROW (Left to right) Gig Necciai, Wayne Steinberg, Brian Palank, John Mullan, Mike Siegal, Howard Shockett, Mark Nuger, Steve Pruce, Unknown, Seth Glassman, Eva Fiastro, Ken Hrechka
SECOND ROW (Left to right) Syd Sowell, Pat Herdoiza, Mark Wagner, (guest), John Brooks, Mike Exler, Peggy Leary, Sharon Crane Siegel, Steve Becker, Mark Herman, Cammie Sommerville, Bob Windsor, Joe Levy, Duane Erickson, Bruce Mandel, Leo Trail, Pattie Hostetter, Barry Levy, Karen Corey, Jeff Cranska, Tony Mikulka, Lou Miller
THIRD ROW (Left to right) Mike Lasher, Lenny Gorden, Joanne Salerno, Jon Weinman, Vince Prestipino, Ernie Witbeck, Eric Solomon, Jeff Taylor, Charlie Morris, Keith Moomaw, Joel Goodman, Mitch Lomke

Incredible as it may seem - five years have passed since we graduated from dental school. This past May, during Reunion Weekend, many of us got together at the Friendship International Inn to renew friendships. On Friday, May 25th, almost half the class, together with spouses or friends, enjoyed an evening which included a fine buffet dinner and dancing to the sounds of a versatile D.J. More importantly we had several hours to catch up on all the goings on in our lives as well as of those who were unable to attend. It seems as if all those who attended concurred that professionally everyone was doing well. Personally it appears that we are very productive, as many couples had one, two and some even three children.

The next day, Saturday, May 26th, we gathered for a great picnic at Piney Run State Park. Many brought their children. It was a very pleasant afternoon with classmates, as well as their children, spending time together.

We were very pleased with our turn out for this reunion. Many thanks to Gig, Karen, Mike, Sharon, and Eva who spent many hours planning this wonderful weekend. We are sure the next five years will go as quickly as these past five have. At that time let's all make plans to get together again.

ALUMNI RECEPTION SPRING POSTGRADUATE CLINIC DISTRICT OF COLUMBIA DENTAL SOCIETY WASHINGTON, D.C. APRIL 8-9, 1984

As usual, our association had a very active Hospitality Suite with Open House Reception on both Sunday and Monday, April 8 and 9, 1984 in the Shoreham Hotel in Washingtron, D.C. in conjunction with the D.C. Postgraduate Clinic Meeting. We have followed this format for the past few years, and it has proven to be very successful and enjoyable. A Hospitality Suite affords our Alumni in the Maryland-Washington area a headquarters for their activity in Washington. It is a very intimate and warm atmosphere in which to entertain our graduates and their friends.

Among those in attendance during our two day period were: Dean Reese, Dr. Raymond W. Palmer, Jr. President, Dr. William T. Strahan, Past President, Dr. Robert W. Haroth, Secretary, Dr. Robert P. Murphy, President-Elect, Dr. Morris Antonelli, President of the Maryland State Dental Association, and Dr. Joseph P. Cappuccio, Executive Director of the Alumni Association. We were honored with the presence of Dr. Eugene Truono, Trustee of the 4th District of the American Dental Association, Dr. John L. Bomba, President-Elect of the American Dental Association, Dr. Ashur G. Chavoor, Past Trustee of the 4th District, and Dr. James P. Kerrigan, Past Vice-President of the American Dental Association. Drs. Palmer and Cappuccio served as hosts for the Open House and were helped by Dr. Strahan and many of our Alumni from the State pf ,Maryland.

Our Alumni and guests enjoyed the very warm and hospitable atmosphere of our Open House Receptions. They had a wonderful opportunity to meet with Dean Reese and talk about their Alma Mater. As usual, our Washington D. C. activity proved to be a success.

FLORIDA ALUMNI SECTION RECEPTION
BUENA VISTA PALACE HOTEL
ORLANDO, FLORIDA
JUNE 24, 1984

A very successful Alumni Reception of our Florida Alumni Section was held at the Buena Vista Palace Hotel in Orlando, Florida in conjuction with the Florida Dental Association Convention on Saturday, June 24, 1984.

The Alumni Association has been very fortunate to have Dr. Joseph P. Bodo, Jr., of Tampa, Florida serve as President of the Florida Alumni Section. Dr. Bodo has been very instrumental in the reorganization of the Section along with the help of Dr. Alvin H. Salvage of Orlando, Florida, Dr. M. Paul Nestor and Dr. Paul V. Ladd.

This year, we were very fortunate to have Dr. Gerald V. Eskow, President-Elect of the Association attend our Reception in Orlando. Dr. Eskow addressed our group and brought official greetings of the Officers and Executive Council of the Association. Dr. Cappuccio, Assistant to the Dean for Alumni Affairs and Executive Director of the Alumni Association brought a message from Dean Reese along with a review of future alumni activities. Dean Reese, unfortunately, could not attend because of a budget meeting with University of Maryland officials.

Many of our Alumni in attendance addressed the group during our short business meeting in reference to future programs and format. It was the first official business meeting of the Section in many years. It appears that the Section is well on its way toward future success and vitality. The Florida Section is very important to us because it represents a large segment of loyal Alumni in the deep South. The future appears well for the Florida section. The Officers of the Section for 1984-1985 are as follows:

Dr. Joseph P. Bodo, Jr., President
Dr. M. Paul Nestor, Vice President
Dr. Paul V. Ladd, Secretary

Dean Reese and Dr. Robert P. Murphy, President of the Alumni Association, wish to congratulate and offer their best wishes to Dr. Bodo and his officers for a successful future for the Florida Alumni Section.

ATTENTION ALUMNI

Since one of our purposes is to serve as a repository of the events surrounding our graduates, we want to know who has achieved honors or merited distinction. In most cases, if you don't tell us, we won't know.

So please send us the information. There is a card inside The Alma Mater. If that doesn't provide enough space, send a letter.

ALUMNI RECEPTION RHODE ISLAND DENTAL SOCIETY GOAT ISLAND, NEWPORT, RHODE ISLAND AUGUST 1-2, 1984

A very successful Continuing Education Program and Alumni Reception was held in Newport, Rhode Island at the Sheraton Islander Hotel. This was our second venture associated with the Rhode Island Dental Society in Newport. It is always pleasant to visit beautiful Newport in the summer. We were also very fortunate to have Dr. Bert Underhill, Dr. Anthony A. Caputi, Dr. John Carroccia, Jr. and Dr. A. James Kershaw help us with local arrangements. Dr. Carroccia was President of the Rhode Island Dental Society during our visit to Newport.

A scientific program on the "Maryland Bridge" was presented on Thursday, August 1, 1984 at the hotel. We were fortunate once again, to have Dr. Van P. Thompson present the program. As usual, he presented an outstanding half day course on the "Maryland Bridge." His program was very well received.

Following the scientific program, a very enjoyable Alumni Reception was held on Friday, August 2, 1984 at the hotel. The Association was represented at the meeting by Dr. Joseph P. Cappuccio, Special Assistant to the Dean for Alumni Affairs. Joe was back in his home state of Rhode Island where his family resides in Watch Hill, Rhode Island.

The Rhode Island Section is showing signs of coming alive. The section elected the following Officers for 1984-1985; Dr. Bert Underhill, President, Dr. John Carroccia, Jr. Vice President, Dr. Anthony Caputi, Secretary-Treasurer, and Dr. A. James Kershaw, Editor. There are plans to hold an Alumni meeting in Providence, Rhode Island where there are many graduates of our school. We are looking forward to our next meeting in the ocean state of Rhode Island.

ALUMNI RECEPTION
AMERICAN DENTAL ASSOCIATION CONVENTION
HILTON HOTEL - ATLANTA, GEORGIA
SUNDAY, OCTOBER 21, 1984

(Left to right) Dr. Giorgio Gasti, Rome, Italy, Mrs. Joanna Gasti, Dr. Pierre Marois, Paris, France, Dr. Joseph Cappuccio, Dr. Morris Antonelli, President of Maryland State Dental Association, Dr. Carl A. Laughlin, Past President of the American Dental Association, Dean Reese

A very enjoyable and well attended Alumni Reception was held at the Hilton Hotel in Atlanta, Georgia on Sunday, October 21, 1984 in conjunction with the Annual Session of the American Dental Association. Approximately 150 Alumni and guests were in attendance to enjoy a lovely evening.

We were honored with the presence of many important guests of the Association. Those in attendance were as follows: Dr. & Mrs. Giorgio Gasti, Rome, Italy, Dr. & Mrs. Jean Roger, Paris, France, and Dr. Pierre Marois, Paris, France. These distinguished international guests are all Honorary Members of the American Dental Association. Also in attendance were: Dr. & Mrs. Joseph A. Devine, Trustee of the 14th District of the American Dental Association, Dr. & Mrs. Lloyd Phillips, Past 7th District trustee, and Dr. & Mrs. Ashur G. Chavoor, Past trustee of the 4th District. One of our most distinguished guests was the President-Elect of the Federation Dentaire Internationale, Dr.Renton Newbury of Australia. It was also nice to see our Distinguished Alumnus of 1984, Dr. W. Robert Biddington, Dean of the University of West Virginia School of Dentistry, along with a very loyal and important Alumnus, Dr. Jose Medina, Assistant Vice President for Health Affairs, Facilities Planning and Operations, University of Florida, Gainesville, Florida.

Following a very delightful Wine and Cheese Reception, we were honored with greetings from Dean Earl Reese. Dr. Reese addressed our Alumni and guests and brought a message about our academic program at the school. He outlined for the Alumni some of the important projects associated with our Alma Mater and thanked the Alumni for their loyalty and support. Dr. Reese was most impressed with the attendance and spirit of our Reception.

Dr. Cappuccio, Special Assistant to the Dean for Alumni Affairs, also addressed the group and brought greetings from President Murphy and the Officers of the Association. He welcomed and introduced many of our invited guests and outlined some of the Alumni activities planned for the year. It appeared that everyone had a delightful time and visit.

The Reception was one of our most successful, and everyone is looking forward to getting together in San Francisco. The Association invites all of our Alumni and guests to our reception in California.

NEW JERSEY ALUMNI RECEPTION

FRONT ROW (Left to right) V. Solomon, T. Dooley, P. Torre, Sec., G. Eskow, Pres-elect, T. Lenick, Pres., E. Moreland Asst't Dean, J. Eskow, V. Pres.
SECOND ROW (Left to right) T. Paterniti, N. Block, J. Daub, B. Tell, S. Jozefiak, B. DeHosson, J. Cirrillo
THIRD ROW (Left to right) O. Passarelli, B. Orlowski, H. Pearson, M. Cooper, C. Hester, J. Cooper, A. Lombardi

The annual dinner meeting of the New Jersey Chapter of the Baltimore College of Dental Surgery, Dental School, University of Maryland was held on November 13, 1984 at the Marriott Hotel in Saddlebrook, New Jersey.

Speakers and honored guests included Dr. Gerald Eskow, President-Elect of the Alumni Association and Dr. Ernest Moreland, Associate Dean of the Dental School.

Both Dr. Eskow and Dr. Moreland addressed the issue of "oversaturation" of dentists in today's market and its effect on busyness in the private dental practice. Since these issues were of concern to everyone in attendance, there was much discussion between the speakers and the Alumni. We were informed that dental schools were trying to solve this problem by reducing the number of students. Of course, oversaturation in New Jersey is more specifically related to our local schools, Fairleigh Dickenson and New Jersey College of Dentistry. From our information, their class sizes have not decreased. We were advised to become politically active and to attempt to influence the school Administrations to consider decreases in class size.

Dr. Curt Hester, Vice President of the A.D.A., also informed the membership of state and national activity.

The elected officers for the current term are:

President, Dr. Thaddeus F. Lenick, '55
President-Elect, Dr. Thomas Dolley, '55
Vice President, Dr. Jack M. Eskow, '33
Treasurer, Dr. Paul Torre, '51
Secretary, Dr. Alan J. Silverberg, '77
Ex-Officio, Dr. Bernard J. Orlowski, '60

Dr. Jack Eskow presented a plaque to Dr. Bernard J. Orlowski for his outstanding service to the Alumni Association.

A delicious dinner and good time were had by all.

Alan J. Silverberg, D.D.S.
Secretary

ALUMNI RECEPTION GREATER NEW YORK DENTAL MEETING NEW YORK HILTON HOTEL - NOVEMBER 28, 1984

One of the most successful Alumni Receptions of the Association was held at the New York Hilton Hotel on Wednesday, November 28, 1984 in New York City. Alumni and guests from New York, New Jersey and the New England states were in attendance. This reception seems to be getting larger each year, in spite of the competition that exists in New York.

We were honored with the attendance of Drs. Robert P. Murphy, President of the Association and Joseph P. Cappuccio, Special Assistant to the Dean for Alumni Affairs. Drs. Murphy and Cappuccio addressed the group and brought greetings from Dean Reese and the Association. Dr. Cappuccio thanked the Alumni for their loyalty and financial support. The Alumi and their guests are looking forward to next year's meeting.

Many officials of the Greater New York Dental Meeting stopped by to visit with us. In the group from the Greater New York Meeting were the General Chairman of the Meeting and his wife, Dr. and Mrs. Morton Divack, the Executive Director of the greater New York Meeting and his wife, Dr. and Mrs. Irving Gruber, Immediate Past Genral Chairman and his wife, Dr. and Mrs. Anthony DiMango. We were happy to see so many of our Alumni from the New Jersey and the New York area. A good time was had by all.

ALUMNI DAY
YANKEE DENTAL CONGRESS
SHERATON HOTEL - BOSTON, MASSACHUSETTS
FRIDAY, JANUARY 11, 1985

(Left to right) Dean Errol L. Reese, Dr. Joseph P. Cappuccio, Dr. Ronald M. Chaput, Dr. Gus Livaditis

A very successful Alumni Day was held on Friday, January 11, 1985, in Boston, Massachusetts. The format for this year's Alumni activity at the Yankee Dental Congress was changed and proved to be a success.

Dean Reese interviewed prospective applicants for Dental School from the New England area on both Thursday and Friday, January 10-11, 1985 in his suite at the Sheraton Boston. This was a new innovation and proved to be well received.

At this year's Yankee Dental Congress, we held for the first time an Alumni Luncheon on January 11, 1985. Approximately 50 Alumni and guests attended. This format allowed Dean Reese to speak to the group about the school and future plans. He also discussed recruitment and admission of dental students. He thanked the Alumni for their loyalty and support. We are much indebted to Ron Chaput, President of the New England Section, for his help on local arrangements. Ron helped Dr. Cappuccio with this year's activity. Dean Reese was very pleased with the attendance at the luncheon. Dr. Cappuccio, Executive Director of the Alumni Association, brought greetings from the Association, and he reviewed some of the Alumni activity for the coming year.

Following the luncheon, a delightful reception was held that evening. A large contingent of Alumni and guests were in attendance. We were honored with the presence of both Dr. John L. Bomba, President of the American Dental Association, and Dr. Abraham Kobren, President-Elect of the Association. Also in attendance was Dr. William H. McKenna, Trustee of the First District of the American Dental Association. All of these gentlemen were accompanied by their wives. We were especially pleased to have Julie Reese with us for the entire day. She enjoyed meeting Alumni and their families.

During the day, a short business meeting of the Alumni Section was held and elected the following Officers for 1985: Dr. Ronald M. Chaput, President, Dr. Bert Underhill, Vice President and Dr. Anthony A. Caputi, Secretary-Treasurer.

It appears following this very successful Alumni Day in Boston that the same format will be followed next year at the Yankee Dental Congress. The New England Section of our Association is well on its way in establishing a strong and viable Alumni Section in the northeast. We thank the leaders of the New England section for their loyalty and support.

ALL DAY ALUMNI MEETING
COLEGIO de CIRUJANOS DENTISTAS de PUERTO RICO
WEDNESDAY, JANUARY 30, 1985

(Left to right) Dr. Thomas E. Miller, Clinician, Dr. John L. Bambo, President, ADA, Dean Errol Reese, Dr. Jorge Rodriquez, President of Section, Dr. Mario Rodriquez, President of Colegio, Dr. Eugene J. Truono, Dr. Pedro H. Hernandez, Secretary, Editor, Alumni Section and Dr. Joseph P. Cappuccio, Assistant to the Dean for Alumni Affairs at the podium

The third and best attended Scientific Session of the Colegio Meeting was held on Wednesday, January 30, 1985 at the Candado Convention Center in San Juan, Puerto Rico.

Dr. Thomas E. Miller presented a half day course entitled: "State of the Art and Trends in Restorative Dentistry and Orthondontics". Dr. Miller, Assistant Professor, Department of Restorative Dentistry, BCDS, Dental School, University of Maryland gave an outstanding presentation. His lecture was very well received.

That evening, we had an Alumni Reception at the Royal Palm's Restaurant where we had as our organizer and Master of Ceremonies one of the most distinguished past presidents of the ADA. You may not know him by his Puerto Rican nickmane, but everybody here calls him Pepe Cappuccio. The attendance was very good: 52 Alumni and wives out of 74 currently on file.

We had as guests at the Reception: Dean Errol L. Reese, who gave a very moving pep talk to the Alumni, Dr. Cappuccio who almost recalled his days as a minstral man doing Al Jolson's stories, Dr. Eugene J. Truono, Trustee of our District, Dr. John L. Bomba, President of the ADA, and Dr. Mario Rodriquez, President of the Colegio de Cirujanos Dentistas de Puerto Rico.

Dr. Jorge Rodriquez, our President, organized the All Day Meeting as Local Arrangements Chairman.

We had a very nice get-together, cheered up Maryland graduates, renewed old friendships and told tall tales.

The following officers were re-elected to the Board of Directors: Dr. Jorge Rodriquez, President, Dr. Pilar Requero, Vice President-Treasurer, Dr. Pedro H. Hernandez, Secretary, Editor.

It was nice having Pepe Cappuccio and Dean Reese back again along with Dr. Miller, who kept up the high quality that is now a tradition of Maryland Scientific Programs in Puerto Rico.

ALUMNI RECEPTION
EAST COAST DISTRICT DENTAL SOCIETY
ANNUAL WINTER MEETING
HYATT REGENCY HOTEL
MIAMI, FLORIDA
SATURDAY, FEBRUARY 2, 1985

Doctor Charles M. Braverman, Mrs. Braverman, Doctor Joseph Bodo.

A very successful Reception was held on Saturday, February 2, 1985 in conjunction with the East Coast District Dental Society. This represents our first venture associated with this meeting. Approximately sixty people were in attendance representing alumni and wives from the greater Miami area. We have many loyal and successful alumni in the Miami area, and our potential is tremendous for developing alumni programs in association with the East Coast District Dental Society.

Unfortunately, Dean Reese and Doctor Cappuccio were unable to attend this Reception due to prior committments.

We were fortunate, however, to have Doctor Charles M. Braverman, '74 serve as Chairman of our local arrangements. Doctor Joseph Bodo, President of the Florida Alumni Section was also present to bring the official greetings of the Section and Alumni Association. Doctor Paul V. Ladd, Secretary-Treasurer of the Section helped Doctor Braverman with local arrangements.

The fine response is a good indication of the future success of alumni activity in Miami, Florida. It is our hope to plan another program associated with the above meeting in 1986. Let us all plan to get together again at next year's Annual Winter Meeting of the East Coast District Dental Society.

Charles M. Braverman

JAPAN HONORS DR. DAVID B. SCOTT

David B. Scott,' 43 became the first foreign dentist to receive the "Order of the Rising Sun", the third highest honor that can be conferred by Japan. This award was conferred on Dr. Scott by the Emperor of Japan for personal achievement in his career and for his contributions to the progress of Japanese researchers at the National Institute of Dental Research when he served as its Director. He has been an Honorary Lecturer at the Tokyo Dental College for many years.

He has also been honored with a Doctor of Science Degree from the Medical and Dental College of New Jersey and The Louis Pastuer University in France. The Association congratulates Dr. Scott for his many honors and contributions to his profession.

DR. VAN HASSEL THE RECIPIENT OF THE LOUIS I. GROSSMAN AWARD

Henry J. Van Hassel, '63, Past Chairman of the Department of Endodontics, at our Alma Mater was the recipient of the 1984 Louis I. Grossman Award. This is the most prestigious award of the American Association of Endodontists.

Following a distinguished career in both teaching and in the United States Public Health Service, he joined our Faculty in 1981. During his tenure as Chairman of the Department of Endodontics, the Department flourished and gained an excellent reputation both nationally and internationally. Dr. Van Hassel has contributed much to dental literature and has been an outstanding lecturer on the subject of Endodontics.

He has recently left our Alma Mater to become the Dean at the University of Oregon School of Dentistry.

The Association congratulates Dr. Van Hassel upon his honor and wishes him well in his tenure as Dean.

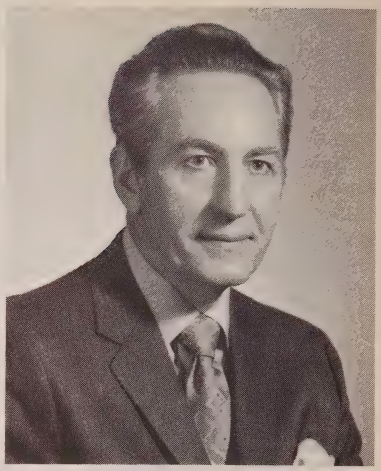
ELECTED

Dr. Ashur Chavoor '48 has been elected the 1984-85 president of the American Association of Orthodontists at their Annual Meeting May 13-16, 1984 in Kansas City. A 1981 recipient of the Alumni Association's Distinguished Alumnus Award and a past president of the Alumni Association, Dr. Chavoor has long been active in all levels of dentistry. The Alumni Association is very proud of one of its most distinguished graduates.

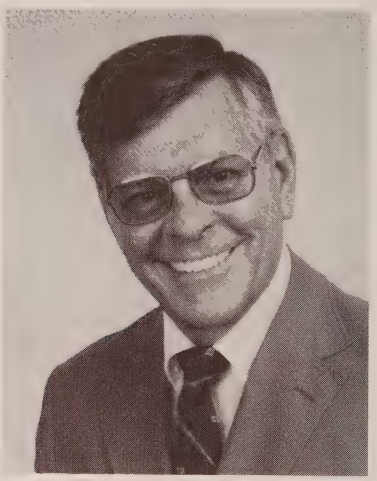
HONORED

Dr. Harry W. F. Dressel, Jr. became the first recipient of the rank of Professor Emeritus from the Community College of Baltimore. Dr. Dressel served as the Chairperson of the Department of Dental Auxiliaries for the first seven years of its establishment He was instrumental in the creation and accrediation of the Dental Assisting, Dental Hygiene and Dental Technology programs at the College.

In addition to being a past President of the Alumni Association, Dr. Dressel has been very active in national and local dental organizations.



Harry W. F. Dressel, Jr. '45



Joseph I. Shevenell '57

ELECTED

Dr. Joseph I. Shevenell, a general practioner in Annapolis has been elected as the 1985 president of the Maryland State Dental Association. A native of Maine; Dr. Shevenell received his bachelor's degree from St. Michael's College in Vermont and his D.D.S. from the Baltimore College of Dental Surgery, Dental School, University of Maryland.

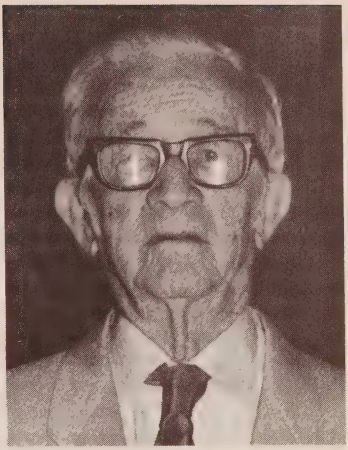
He is a member of numerous dental organizations and has been a member of the MSDA'S Board of Governors and Board of Trustees since 1976. He has also served as president of the Annapolis Jaycees and the Germantown PTA, and has been a member of the Annapolis Planning and Zoning Commission.

HONORED

Dr. Francisco G. Garcia, an orthodontist and the first dental specialist in Puerto Rico, was recently honored by the American Association of Orthodontists and the Middle Atlantic Society of Orthodontists. Both organizations conferred Honorary Membership on Dr. Garcia for his fifty years of dental practice and for his contributions to the development of the specialty of Orthodontics in Puerto Rico.

For the first two years after graduation, Dr. Garcia taught at the dental school. He then returned to his native Puerto Rico initially practicing general dentistry, but shortly thereafter limiting his practice to orthodontics. He continues to practice his specialty as he approaches his 90th birthday.

The Alumni Association wishes to congratulate Dr. Garcia for his many contributions to his profession and wish him many more years of health and happiness.



Francisco G. Garcia '21

ELECTED

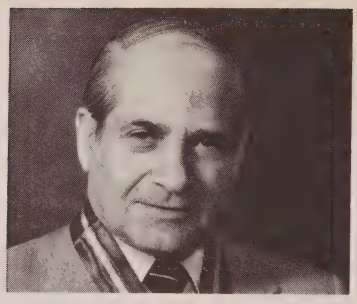
Dr. H. Curtis Hester of New Jersey was elected during the past year to the First Vice-Presidency of the American Dental Association and Vice-President of the American College of Dentists. He served the College as Regent of Regency II for the past four years.

Dr. Hester has been extremely active over the years in the New Jersey Dental Association and the Middle Atlantic Society of Orthodontists. He has been a Delegate from New Jersey to the House of Delegates of the American Dental Association for many years and has been a member of the Board of Trustees of the American Association of Orthodontists.

Dr. Hester has been a very loyal and distinguished graduate of our Alma Mater. The Association congratulates Dr. Hester for his many contributions to our profession and wishes him well in the future.

H. Curtis Hester, '44

HONORED



Joseph P. Cappuccio '46

Dr. Joseph Cappuccio, Executive Director of the Association and Special Assistant to the Dean for Alumni Affairs, was honored by the Republic of Panama with its highest honor. He was decorated with the Order of Vasco Nunez de Balboa in the degree of Commendador by the President of Panama.

The honor was conferred in recognition of his efforts "that led to a better organization of the Odontologic Professon" in Panama. Dr. Cappuccio has assisted numerous Panamanian professionals to enter American Universities to pursue graduate and post-graduate programs. He has visited Panama over many years as a lecturer, Trustee of the Fourth District of the American Dental Association and as President of the American Dental Association. He was also honored with Honorary Membership by the Panamanian Odontological Association. Two distinguished graduates of our Alma Mater, Dr. Alfredo Berquido and Dr. Juan Arias, were very instrumental in getting this honor for Dr. Cappuccio.

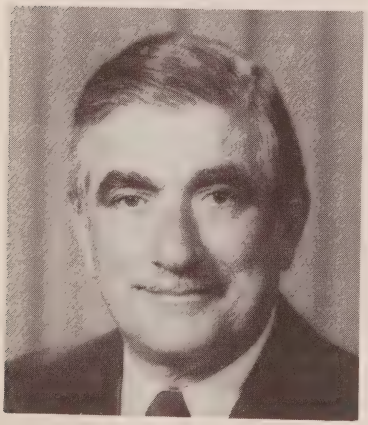
Our Executive Director was also honored by the Maryland State Dental Association with its Distinguished Service Award. He was honored for 35 years of loyal service to the Maryland State Dental Association and his profession.

Recently, Dr. Cappuccio was elected as the Regent of Regency II, American College of Dentists for a four year term.

He was further honored when he received an Honorary Membership in the American Dental Sciety of Europe. He has lectured in Europe on many occasions, especially to the American Dental Society of Europe and the American Dental Club of Paris.

The Association congratulates our distinguished colleague for his many honors and contributions over the years.

INTERNATIONAL LECTURER TO PRESENT PROGRAM AT ALMA MATER, MONDAY, SEPTEMBER 9, 1985



Dr. Ajax Menekratis

We are fortunate to have Dr. Ajax Menekratis, Cannes, France, as a lecturer in Continuing Dental Education at the Dental School on Monday, September 9, 1985.

Dr. Menekratis is visiting Associate Clinical Professor, Department of Continuing Dental Education, Dental School, University of Maryland and adjunct Professor of Tufts University School of Dental Medicine. He is an internationally recognized lecturer and author. His course is entitled: "A New Approach to Oral Reconstruction". It will be a treat to hear him on his visit to Baltimore.
